

## SUBCLASSES 190 AND 489

QUEENSLAND SKILLED OCCUPATION LIST FOR MIGRANTS  
CURRENTLY EMPLOYED IN QUEENSLAND

Effective 25 July 2016

This list is for applicants currently employed in Queensland. Business and Skilled Migration Queensland (BSMQ) can nominate applicants for the following visas:

- The **Skilled Nominated (Permanent) visa (subclass 190)** is a point-tested permanent residency visa for applicants nominated by a state or territory government.
- The **Skilled Regional (Provisional) visa (subclass 489)** is a point-tested provisional visa. It is a pathway to permanent residency. This visa requires applicants to live in a regional area for a minimum two years and be employed for 12 months.

**Please see FACT SHEET- SKILLED MIGRATION for Eligibility Criteria, Applications Process and further information**

## OCCUPATION CEILINGS

- Occupations on the QSOL may be subjected to a cap. This means a maximum number of nominations that will be accepted by BSMQ for each occupation within a given period.
- When ceilings targets are met, the occupation will be closed and further applications will not be accepted. It is at BSMQ's discretion when occupations will be opened or closed.
- The status of occupations will be regularly updated to indicate whether applications are being accepted.
- Applicants are encouraged to review the BSMQ website and social media regularly to check the status of their occupation. BSMQ will not contact you if your occupation is closed or opened at a later date.

## DISCLAIMER NOTICE TO APPLICANTS

**Nomination and Approval**

Queensland Skills Occupation Lists (QSOL) reflect the current labour demand and change regularly. Applying for nomination correctly does not guarantee you will receive Queensland nomination or be granted an Australian visa. Nomination is granted at the discretion of BSMQ. BSMQ reserves the right to suspend certain conditions should mitigating circumstances arise. The final decision and timeframe on granting a visa is made by the Department of Immigration and Border Protection (DIBP). BSMQ takes no responsibility in the event that your visa application is not approved by DIBP.

**Administrative Appeals Tribunal (AAT)**

Please note that BSMQ will not, under any circumstances, appeal to the Administrative Appeals Tribunal (AAT) against decisions by DIBP to decline granting a visa to any skilled or business migration applicants nominated by Queensland.

**After moving to Queensland**

It is a requirement of nomination by the State of Queensland that the applicant supplies their residential address and contact details to BSMQ within 28 days of arriving in Queensland or when living in permanent lodgings. You are also required to advise us when your circumstances change, including a change of employment or a change of address.
